

Addington Judo Club Newsletter.

Updated 1st Sept 2025,

Great Numbers were present throughout the holidays so thanks and well done and a huge welcome to our latest beginners, I am sure you will continue to be made welcome,

Grading month is upon us in October so please make sure to swot up and revise of the techniques you need to know, if you fail to prepare you prepare to fail.....

Quick reminder that after 4 sessions you are required to take a licence out for your judoka at the club (be it you or your child), please see sensei Steve to do this, he is always at his table until around 8.15 each evening.

Judo club badges are in stock it would be great for those representing the club to have these sewn on their jackets, these are still at only £3 each and can be picked up from the signing in desk.

.....Upcoming events.

October, grading month, the cost of this is £4 and should be paid either online or cash to sensei Steve as early as possible, no grades will be awarded prior to Oct 28th,
